foreword

Because the nursery rhyme was our first attempt at literature and because we never want to forget those days when we thrilled to the tales of old Mother Goose, we have attempted to bring back some of those happy memories of our childhood along with a resume of the school activities of this past year.

dedication

● To Howard (Muggs) Mitchell whose untiring efforts have done much for the success of athletes in Chaffey, and whose fine sense of sportsmanship and good humor inspires the confidence and friendship of all who know him—the seniors respectfully and appreciatively dedicate this book. Some may think of a football coach as being rather far removed from the theme of our book—but those memories of childhood, we know, are made vivid to him each day by the story-book-hour with his two charming children, JoAnne and Jimmie.

the orange and the black

To Chaffey's glowing colors
We owe allegiance true,
And forever we will cherish
Our banner's glorious hue;
So we'll hail our radiant colors,
No honor shall they lack
While Chaffey stands defender
Of the Orange and the Black.

Then all hail to dear old Chaffey,
All hail her colors bright;
A cheer for her defenders,
All honor to her might.
When we win all athletic victories,
On the football field and track,
We are working sure for Chaffey
And the Orange and the Black.

To our high school we'll be loyal
When we leave her honored halls,
Her spirit still shall guide us
Where'er the future calls;
And we'll gain new faith and courage
As we turn our memories back
To those happy days at Chaffey
'Neath the Orange and the Black.

● Chaffey has been fortunate in having a very efficient guiding body as its board of trustees. ● Dr. A. L. Weber, who has served one year of his term as president of the board, has spent many hours of his time conducting Chaffey's affairs. ● After 21 years of unselfish service Mr. T. W. Nisbet has resigned. Before he became a member of the board, Mr. Nisbet, an Upland orange grower, helped in the promotion of Chaffey's first bond issue for the construction of the original Chaffey buildings. Since that time he has in many ways upheld Chaffey's high reputation as a progressive institution. It is with regret Chaffey releases him. Mr. Norman S. Lawson was elected to fill the vacancy on the board incurred by Mr. Nisbet's resignation. Mr. Lawson is also a citrus grower of Upland. He has served as president of the Upland Chamber of Commerce and for two years was president of the Lions Club of Upland, thus proving himself to be a public-spirited citizen interested in the welfare of the community. ● Mr. N. E. Trautman and Mr. J. L. McCutchen of Ontario, and Mr. H. S. Barbee of Fontana have each completed two years of efficient service as trustees of Chaffey.

CHAFFEY FACULTY

● Chaffey for the past two years has divided its students into groups of twenty or more with a faculty member as adviser. These groups meet every two weeks, or more often as needed, and have proved a great help to the students. Chaffey faculty is unique in that some of its members teach in the junior high school of Upland and the branch high school of Fontana as well as in Chaffey.

● During the year of 1933-34 the student body was successful in all activities. Showing their dramatic ability in the Extravaganza which was well produced and featured the Show Boat theme. During the Los Angeles County Fair, Mr. Perrin and Mr. Alter took their judging teams to Pomona and returned with a great deal more than their share of cups. ● The football team was one of which to be proud. The team tied Pomona and lost only to Riverside. ● The basketball team won their league championship but were defeated by the southern California champions in the Southern California playoff. ● During the second semester the senior play, "Peg o' My Heart," the operetta, "The Magic Crystal," and student assemblies again demonstrated the dramatic ability of the student body. ● The annual community banquet at Chaffey on March 16 was held in honor of Thomas W. Nisbet, whose twenty-one years of faithful and unselfish service as a member of the Chaffey school board has meant much to the students. ● Two dances were held during the year—one in the autumn, using a football motif, and one in the spring featuring a Japanese garden. ● The Chaffey track team was successful in their first large meet at Huntington Beach. The Invitational meet was again run off in perfect form, with Fullerton High School winning, and Chaffey taking second. ● The League meet was also a great success, Chaffey winning by a large margin. ● On May 18-19 the Chaffey Junior Fair was held and was bigger and better than ever before.

● The Girls' League work began on Chaffey's opening day with representatives helping the new students who were registering. ● Football season was heralded with the sale of pom-poms, and during the year candy sales at all performances help to fill the treasury. ● Cabinet meetings were held once a month in the Girls' League clubroom with Mrs. Mehl and Miss Ruth Lewis, advisers. ● The first event of the social calendar was the Hallowe'en Tea for the Big and Little Sisters. Mother's teas, sponsored by the league, were given by each class. Tea also was served at faculty meetings each week. ● Ellen Shepherd, Jean Allison, and Mrs. Mehl were sent as delegates to the fall convention at Beverly Hills and Chaffey was represented at the spring convention at Fullerton by Mrs. Mehl, Mary Davenport, and Jean Allison. ● At Christmas time the Welfare Work was loyally supported and the supply of gifts was tremendous. ● The Mother and Daughter Banquet was one of the loveliest that has been attended, the scene being an old-fashioned garden. "Pierrot's Mother," presented by members of the dramatics class, completed the evening.

SENIOR CLASS

● Having a very successful year despite economic conditions, the senior class of 1934 demonstrated their ability to meet any emergency. Profiting from the experience of previous classes, the class of '34 ordered their sweaters at the beginning of the year. The sweaters were conceded as being the best ever seen on the Chaffey campus. The senior class play, "Peg o' My Heart," was an outstanding success, and played to a large audience. ● During the second semester the senior class was very busy in picking out commecement announcements, getting cap and gown measurements for graduation, and making certain that they were going to graduate. ● The seniors really came into the limelight this past semester in all athletic and school activities. The girls of the class were largely responsible for the success of the Mother and Daughter Banquet. The junior-senior dance on May 4 was a great success. The seniors really achieved something in buying Fastis, as 96% of the class bought them. In all, over nine hundred Fastis were sold. The leading Fasti salesman was a senior and sold almost 100 copies. On June 1 the junior-senior reception was held. It was a delightful affair and was appreciated greatly by the seniors. Thanks a lot, juniors.

JUNIOR CLASS

● Looking forward to their senior year, with the eager hope of enjoying a still more successful high school career, the junior class leaves behind many happy moments which they will long remember. ● Again sponsored by the junior class, the Winter Extravaganza was, as usual, a huge success; much of the talent displayed in this production was by students of this class. Football, basketball, and track were all well represented by the juniors. The student body yell leaders, who aroused so much pep and enthusiasm at the games and rallies, were members of the junior class. ● The junior-senior spring dance was a tremendous success. Ending the social functions of the year in a highly colorful manner was the annual reception held by the juniors in honor of the seniors. ● Many difficulties and disappointments were faced by the juniors this past year, but with high courage and undaunted spirit they are planning for another year.

SOPHOMORE CLASS

● Showing their ability, the sophomores made their class banquet one of the outstanding events of the year. ● A radio motif was carried out effectively. With a black and silver color scheme, miniature radio towers as centerpieces, a microphone at the speakers' table, and spots furnishing a modernistic lighting effect, a unique atmosphere was attained. "Pop" Kegley was toastmaster for the evening. ● Near the close of the year the freshmen and sophomore classes held a joint meeting, at which much class talent was displayed. This is an assurance to those in favor of student assemblies that there is no difficulty in finding numbers for a snappy student program. ● The work of the two classes during the past year was reviewed and they were complimented for their good work. The officers for the coming year were introduced. Let us keep up our standards, freshmen and sophomores, and remember we are soon to be upper classmen.

FRESHMAN CLASS

● With a splendid start the freshman class of '34, composed of over 350 members, completed the first and second semesters with very high scholastic standing, and few mishaps. The class did not hold the annual freshman banquet because of lack of finances and conflicting dates. The Fasti sales were well supported by the class, as were all the athletic events. Their teams in both football and basketball were of the best material, while the freshman swimming team won from the sophomores in the first and second semester swimming meets. The class also had a large percentage in the Future Farmers. The girls of the class entertained the class mothers at a Hallowe'en tea which was considered a successful social event. The class officers, under the leadership of their advisers, Mrs. Hezmalhalch and Mr. Alter, are justly proud of the achievements of their class during their first year in Chaffey.

A merry old soul was he.
He called for his pipe, he called for his bowl,
He called for his fiddlers three.

The old King chuckled and laughed with glee
As they played and sang a song.

"Mammy Cooks Band," Miss Graves director, and a Pickaninny Dance by A. Lopez, J. Ripley, and O. Mock, under the direction of Miss Widmer, followed. The girls' advanced glee club and the boys' glee club gave selections, and a "Dark Town Strut" was interpreted by J. ● "Peg o' My Heart," that delightful Irish comedy by J. Hartley Manners, was presented this year as the senior class play to a crowded Chaffey auditorium. It was one of the many outstanding plays presented at Chaffey, and a profit of $146 was made. Much of the praise must go to Miss Judson, the director, Miss Newsom, the senior class adviser, and Mr. Snyder, financial manager. ● The cast gave an excellent performance, far surpassing that of an amateur production. Each of the cast had that certain finished touch to their acting, which bespoke so well the excellent coaching of Miss Judson. The plot of the play centers around the escapades of Peg, the little Irish girl, who is sent to her wealthy, aristocratic relatives to become educated. The predicaments in which she and Michael, her shaggy dog, find themselves involved, bring forth one laugh after another until in the last moments of the play, she, with a flash of Irish spirit, denounces her relatives, inherits money, and wins the man she loves. ● The cast included: D. Cameron, as Peg, the heroine; E. Houston, as Mrs. Chichester, the aunt of Peg; E. Galentine, as Ethel, Peg's cousin and the daughter of Mrs. Chichester; P. Allen, as Alaric, the son of Mrs. Chichester; E. Lindsey, as Jerry, the hero; C. Morton, as Christian Brent, the lover of Ethel; P. Shattuck, as the maid; C. Wilson, as Jarvis, the butler; and H. ● "The Magic Crystal" was the title of the operetta presented by the combined Glee Clubs of Chaffey High School. ¶Mrs. Winifred Johnson, the author, formerly of the Chaffey Music Department, made an extensive study of gypsy life and customs before writing the operetta which had an unusual plot. The first act consisted of a gypsy campfire scene with all the color and fire typical of the gypsies. The second act was a collegiate scene, and took place in the home of an English lord. The third and last act featured an evening entertainment in the home of Lord Lounsbury. ¶A football dancing team, a gypsy beggar dance, gypsy tambourine dance, and an unusual acrobatic dance were featured. Mrs. George Duley directed all the dance numbers, while Mrs. Florence Hill Blakeslee, assisted by Mr. Earle S. Blakeslee, ably directed the musical numbers and the continuity of the entire production.

GLEE CLUB

● Chaffey's music department, consisting of three glee clubs, did outstanding work this year under the direction of Mrs. Florence Blakeslee. The Advanced Girls' Glee Club, which numbered thirty-five, appeared at various junior-senior assembly programs, wearing uniforms consisting of black skirts and white blouses. The Elementary Girls' Glee Club, containing sixty-two, members gave song numbers at several of the freshman-sophomore assemblies. Dressed in black trousers and white slip-on sweaters, the twenty-one members of the Boys' Glee Club were also on various assembly programs. The most outstanding assembly program at which the three organizations participated was the Pomona football rally held in the gymnasium. A cardinal, representing Pomona, was destroyed by a tiger, representing Chaffey, while the members of the glee clubs sat on bleachers and sang and waved gay orange and black pom-poms. ● "Show Boat" was the theme of the Winter Extravaganza. Colorful scenes, negro song and dance numbers, as well as the chorus songs were presented by glee club members. ● "The Magic Crystal," by Mrs. Winifred Johnston, was presented March 9 and 10. Main parts in the production were played by members of the Girls' Advanced and Boys' Glee Clubs. The dancing teams were chosen from the Elementary Girls' Club. This was the third annual high school operetta to be presented at Chaffey. ● The Girls' Glee Club also sang at the Fashion Show on the opening day of the junior Farm Center Fair. ● Club officers were elected in the Advanced Girls' Club and entertainment was provided at the various meetings.

ORCHESTRA

● The Chaffey orchestra, composed of fifty-lve pieces, and under the direction of Mr. Fred Wilding, has played at various churches, clubs, and other organizations outside of school on an average of three times a week. This orchestra, having almost a full line of wood, wind, brass and string instruments, is able to play a high type of music. ● Various dramatic productions at which the orchestra played were "Winter Extravaganza," given by the high school students, "Peg o' My Heart," the senior class play, and the premier of the spring operetta given by the junior college glee clubs. They played at the farewell assembly during the commencement week, and at the baccalureate and graduation exercises.

CHAFFEY DRUM CORPS

● A new feature at Chaffey was the Chaffey Drum Corps which originated during the summer. Each Saturday morning during the summer fourteen girls met with Mr. Wilding for practice and drill. When school started they were able to give splendid performances at the school rallies and at games at other schools as well as at Chaffey. ● Their outfits consisted of orange skirts, black blouses and orange and black hats, while the drum major wore black skirt and orange blouse in contrast with the other members. ● They participated in the Memorial and Armistice Day parades, and in the Orange Pageant at Riverside. A huge crowd witnessed the parade, which was five miles long, and the Chaffey Drum Corps was declared one of the hits of the parade.

COMMUNITY BANQUET

● In commemoration of the founding of Chaffey fifty-one years ago on the seventeenth of March, and honoring Thomas W. Nisbet, who is retiring after twenty-one years of service on the Chaffey board of trustees, over four hundred alumni, faculty members, and friends of Chaffey gathered for the second annual banquet in the cafeteria on March 16. "Fiesta de Hacienda" was the theme which was carried out in both the programs and decorations. El Doctor Frank B. Fagerburg, pastor of the First Baptist Church, Los Angeles, spoke on "Scanning the Horizon." ● El Senor Gardiner W. Spring presented the toastmaster of the evening, Senor Roy Newton, local merchant, who gave a speech of appreciation for Mr. Nisbet's long years of service as a member of the Chaffey board of trustees. ● Highlights of the evening's program included singing by the college men's quartet, composed of Wayne Murphy, Francis Wilson, John Gemmel, and LaVerne Leaman; Mexican dance by El Senor Ignacio Lopez; and the reading of a poem, "Visions and Deeds," dedicated to Mr. Nisbet, written by El Senor George P. Weldon. ● The cafeteria was turned into a rancho patio with a balcony covered with beautiful Spanish shawls. The walls were decorated with desert greenery, and cactus plants were used in floor decorations. Tables were candle-lighted and the people were served by waitresses in Spanish costumes. A stringed orchestra, also in Spanish dress, directed by El Senor Wilding, played throughout the eevning. ● On behalf of the Chaffey faculty, La Senor Conger presented to Mrs. Nisbet, for Mr. Nisbet, a tooled leather folio containing the names of the guests of the evening. Other guests who contributed to the program of the evening included: El Senor Trautman, El Coro de Chaffey Junior College, El Senor Moore, El Doctor Weber, La Senorita Bodenhamer, and La Senorita Sherwood.

They participated in the Armistice Day parade, track meet, and all school rallies and football games.

BAND

● Under the direction of Mr. Fred Wilding the Chaffey band has been declared an outstanding success. They added much to the school spirit by playing at all of the rallies and football and basketball games at Chaffey and at other schools, making a bright spot of color in their uniforms, consisting of black trousers and orange sweaters and caps. ● The thirty members practiced diligently and gave excellent performances in the Armistice Day parade as well as the Hallowe'en and Memorial Day parades. They also played for Armistice Day assembly, the Junior Fair, and provided entertainment for various schools in the community throughout the year.

THE FASTI STAFF

● Derived from the old Greek word "Nifasti," meaning Sunday, "Fasti," the title of Chaffey's yearbook, is especially appropriate, as it means "Work Days," and in our annual we have recorded those days of work and play of the school year 1933-34. ● The annual is published by the senior class of Chaffey Union High School. Early in the year the Fasti staff was chosen, and soon afterward a class in book-making, composed of members of the staff, was organized under the direction of Miss Lela McClelland, staff adviser, and has proved to be most interesting and helpful. The course covers the building of a book, kinds of paper to be used, typography, photo-engraving, simple book-binding, salesmanship, and publishing. In this class much of the work of editing the book has been accomplished. ● This has been a particularly hard year because of the codes in effect. For this reason a professional photographer could not be hired to take the pictures, so it was that Mr. Clinton Bryant, j. c. '34, graciously offered to take the pictures at a reasonable price. Other economies have confronted the staff, but, due to the encouragement and fine spirit of our adviser, these conditions have been overcome, and we now present to you a book which we hope will make interesting and vivid in the years to come the happenings of the past school year.

PRESS REPORTERS

● "Strings," a term used in journalism, represents a student's effort and achievement for the entire year, and consists of all his published articles pasted end to end in a long strip. The strings contain stories on every form of campus activity—all student body news, all Girls' League news, administration news, music news, and news of all sports, publications, classes, social events—in short, everything of interest connected with Chaffey Union High School activities. ● The longest string in the class was approximately 60 feet long at the end of the year and was written by Dwight Larick. ● To obtain the material in the string, the student must spend many hours in interviewing other students, faculty members, and outsiders. Ordinarily two class periods a week are devoted to interviewing and writing, one to recording copy, and the other two to text-book work or discussion. ● No editing is done by high school students. The copy is written in a certain form and handed in to Miss Dorothy Smith, journalism instructor, who sends it to the junior college to be edited by the Press staff. The copy should be turned in on the Thursday and Friday before the paper comes out. Tuesday is the deadline. Approximately half of the news in the Chaffey Press this year was written by high school reporters.

PIGEON CLUB

● Hobbies are needed to help keep a boy busy. Every effort should be made to encourage interest in a growing bird or animal. The Pigeon Club was organized to keep this interest stimulated. The membership of the club is made up of boys having a pigeon project. ● The nature of this project is such that it helps develop many attributes necessary to successful manhood. Some of these being: a knowledge of nutrition; a field for love and expression, for sport and scientific study, to be found in the management of a pigeon loft. ● Here supervision and adjustments are needed just as they will be resuired later in the social management of homes and in civil activities.

California has over 60,000 members in 130 high schools. ● The F. F. A. slogan—"Earning while learning"—has helped each boy in being a producer. The value of these products at Chaffey amounts to thousands of dollars. The four years of agriculture offered at Chaffey is another step toward permanent organization of agriculture on a national basis.

A. boys by our principal, Mr. Fischer, Mayor Davidson, Mr. McCutcheon, who represented the school board, and Mr. Everett, the regional supervisor of southern California of the Future Farmers of America. ● Mr. Clapp made a very clever toastmaster. Music was furnished by Tony Balitruti on his accordian. Ten members of the Girls' League waited on tables.

● Chaffey Future Farmers again took honors at the National Orange Show at San Bernardino on Saturday, February 17. They took first place in class B, third award in class A, and several individual prizes. Chaffey took first in class B, only one point ahead of San Bernardino. EXHIBITS

● In one corner of the cafeteria the work of the home arts and applied arts classes were displayed. This corner was made beautiful by wall hangings of crayola and batik work. The leather display included purses, book-ends, key cases, and billfolds. Luncheon and collar-and-cuff sets were very popular and many types were made. Making of hats seemed to be a fad and many smart-looking ones were displayed. Hand-woven baby blankets, scarfs, purses, pillows, and rugs made an interesting exhibit. The exhibit of hand-sewn and rebound books was interesting in that many of the books were very old and had been cast aside because of the worn binding. Pottery made a small exhibit in itself as there was a very complete showing of the vases, bowls, tiles, and other articles.

● Nearly three hundred girls helped in the 1933 Fashion Show which was held in the auditorium. A play, "The Nifty Shop," was given, showing the different kinds of dresses the girls had made for certain occasions.

● The most outstanding feature in the Junior Farm Center Fair was the display of baby books. The books were divided into three divisions: padded covers, loose leaf, and plain covers. Prizes were won according to the divisions. ● In the first division C. A. Kilbourne and M. Connelly tied for first place; L. Emmons and K. Smederly tied for second; A. Foote, third; and A. FOOTBALL

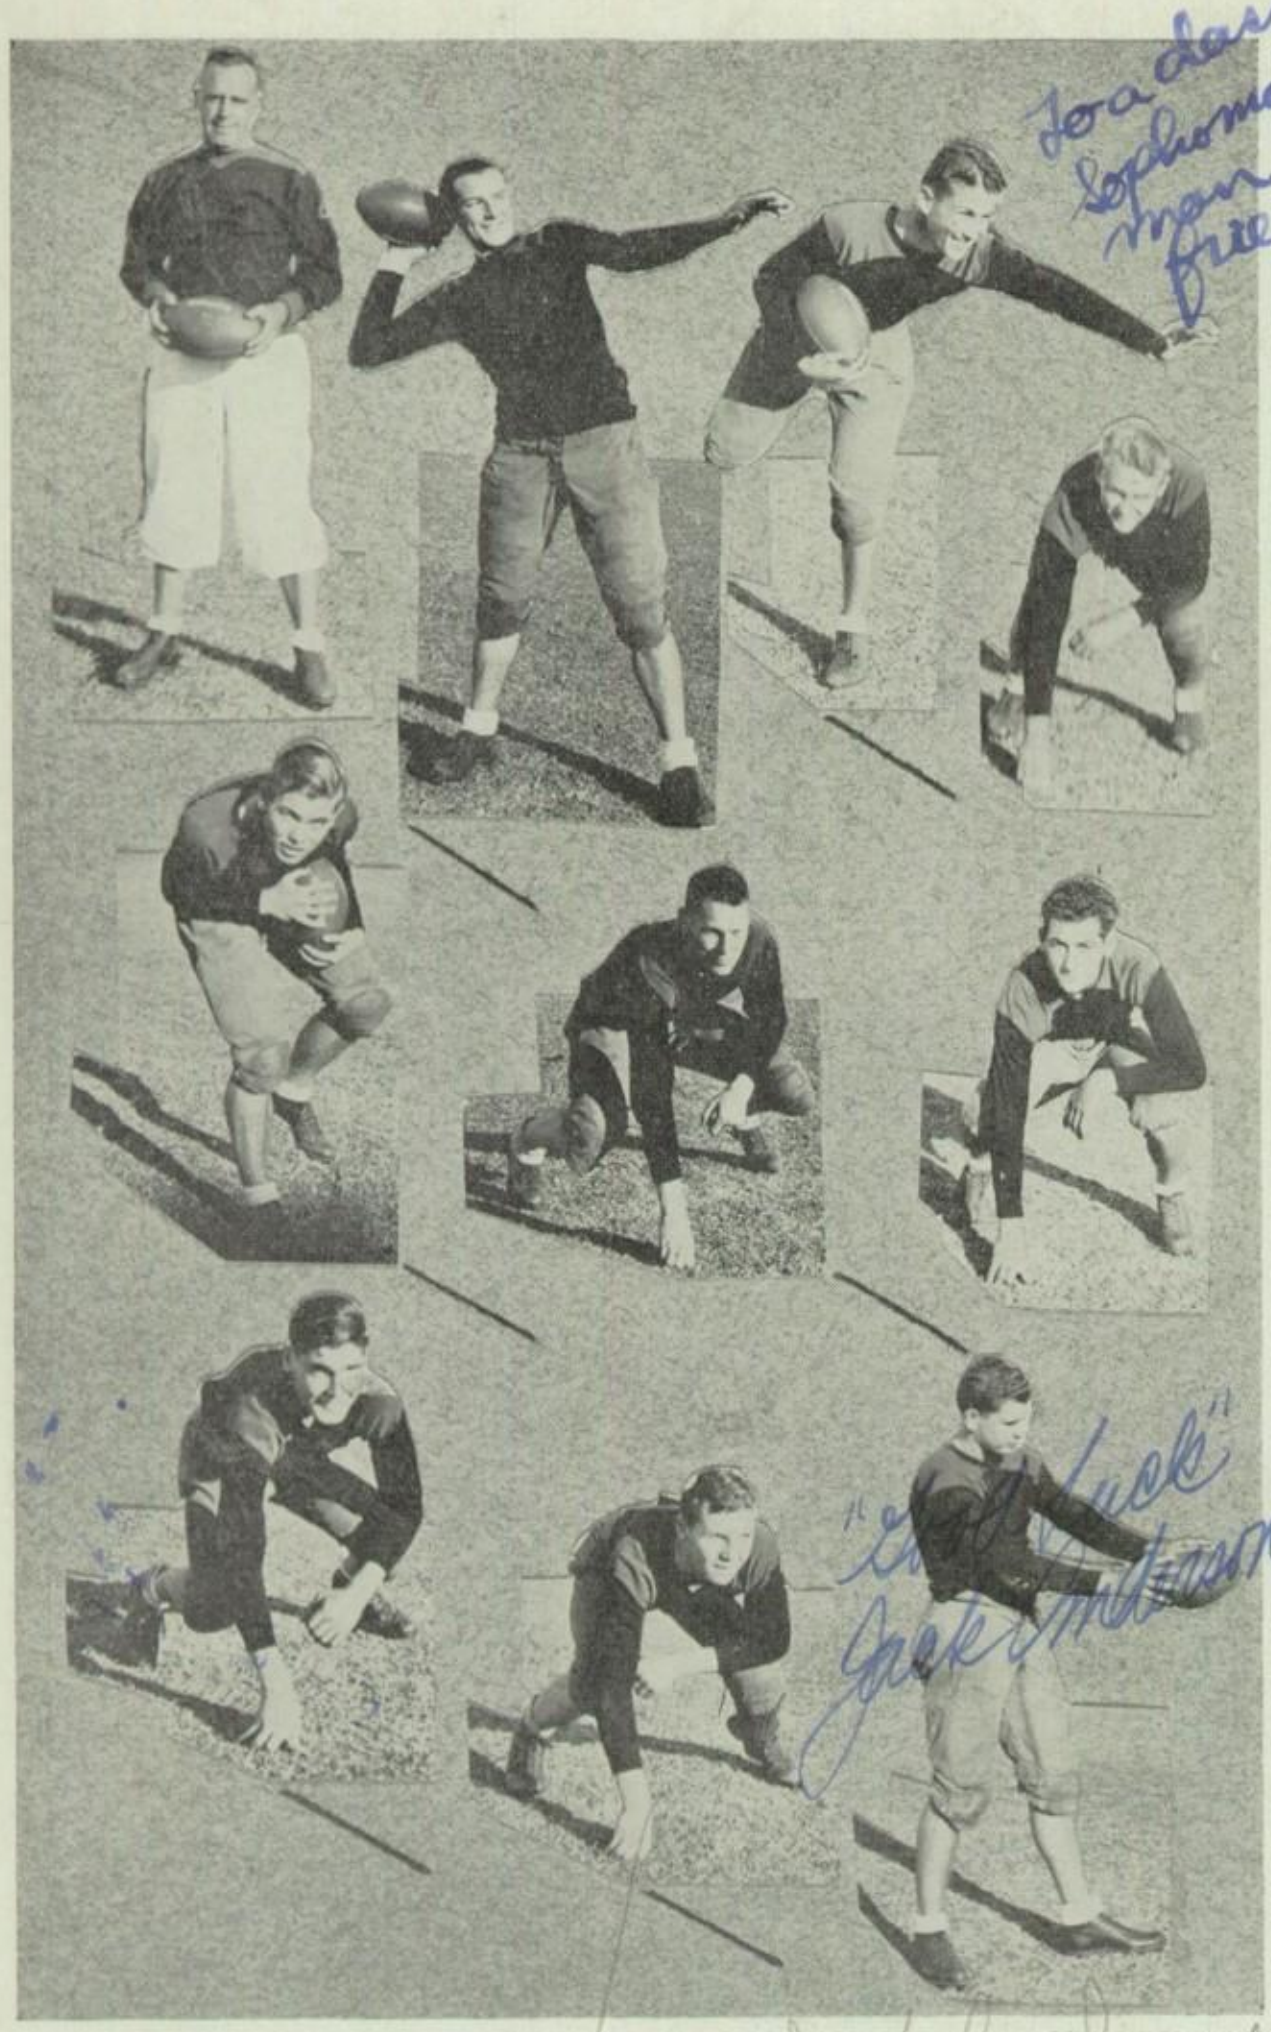
● Winning two games, losing one, and tying one, the Chaffey Tigers, under Coach Howard Mitchell, ended the season in third place. ● Showing a strong offense and outgaining Fullerton by a large margin, the Tigers lost their first practice game, 7-0. Showing a great improvement over the first game, the Tigers downed Colton, 7-0. ● With but two practice games, the league season was opened by playing San Bernardino.

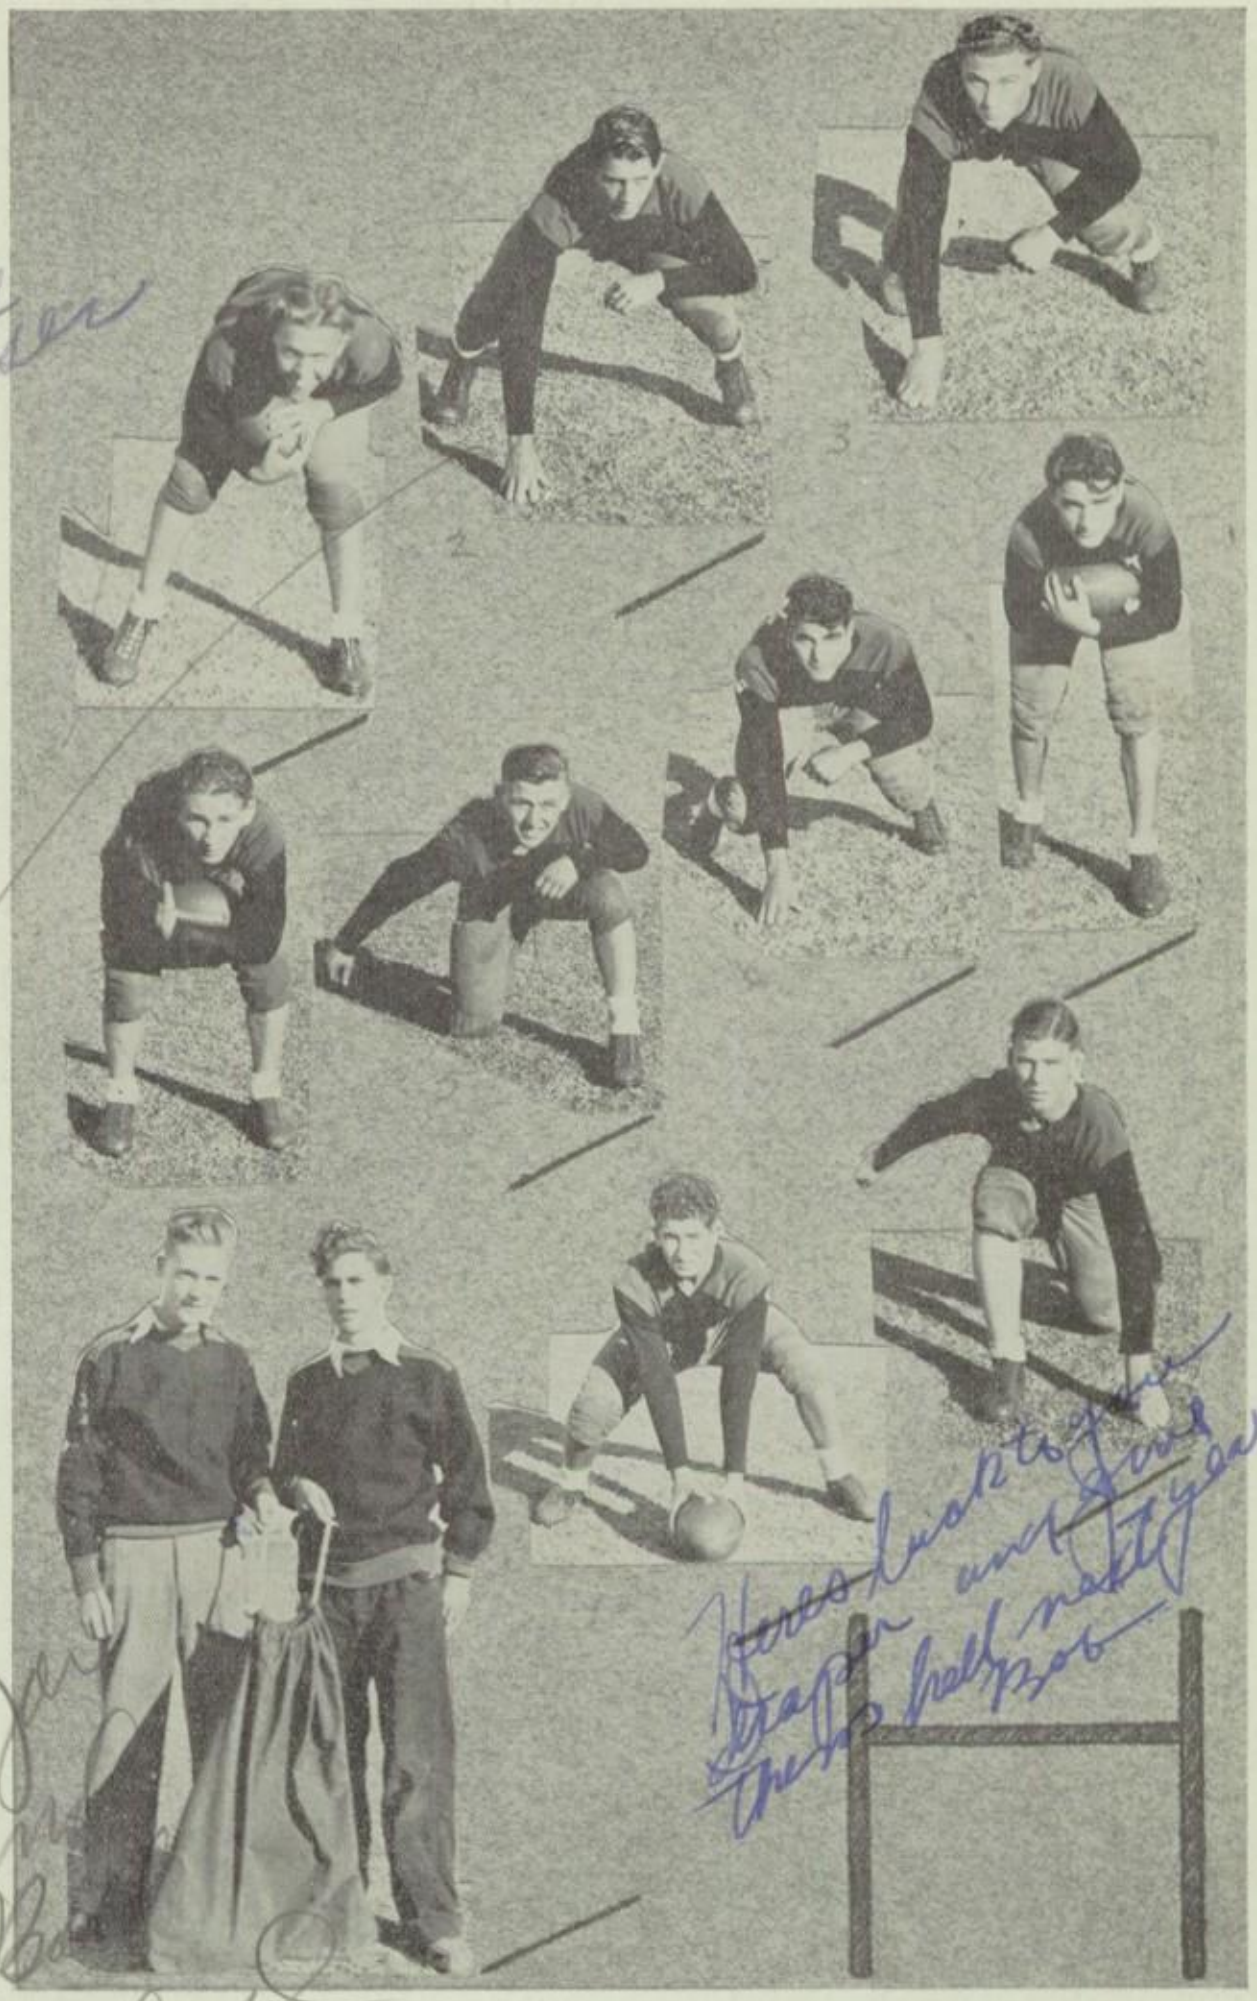
● Chaffey Tigers, rated as the under-dog in their first league game with San Bernardino, came home on the long end of a 13-6 score. The first touchdown came as a result of a fumbled punt recovered by Miller, Chaffey end. Setser made long gains to place the ball on the one-yard line, where Anderson took the ball over for the first score. Chaffey failed to convert. San Bernardino's score came as a result of blocking Meek's punt. Their kick was wide. Late in the game Meek intercepted a flat pass and with the exceptional blocking of Johnston ran 80 yards to a touchdown. Setser made the extra point.

● Showing splendid form, the Chaffey Tigers, on their own field, humbled the Redlands Terriers by a 13-6 score. Early in the game Fisher returned Redlands' punt 35 yards, to put the ball on Redlands 18-yard line. On a reverse he took the ball over for the first score. Meek's kick was good. In the third quarter the Terriers made their only score. The attempt at conversion was blocked by Seapy. In the fourth quarter Meek threw a long pass to Setser who drove to the 2-yard line. Nielson made the score. The game ended with the ball on Redlands' 1-yard line.

● Satisfying neither team, the annual battle between Chaffey and Pomona ended in a 0-0 tie. The game was even all the way through, both teams making eight first downs. A spectacular double pass put Chaffey in scoring distance early in the game, but they could not punch it over. Starting the second half the Cards seriously threatened the Tigers' goal but were stopped on the Tigers' 8-yard line. Just before the gun barked Meek tried a desperate place-kick which just fell short. The whole Chaffey team played their best game of the year, showing a brilliant offensive attack and a fighting defense.



Top row: Coach Mitchell, J. Nielson, J. Fisher, J. Meek. Second row: M. Hill, H. Weldon, F. Casaletti. Third row: T. Casaletti, I. Seapy, J. Anderson.



Top: D. Setser, E. Miller, F. Johnson. Second: R. Orr, B. Goddard, E. Simon, A. Cummings. Third: L. Boren, D. Larick (managers), E. Cross, H. Roberds.

CHAFFEY VS. RIVERSIDE

● Losing a seven-point lead obtained in the first quarter, the Chaffey Tigers lost to the powerful Riverside Bears, thus smashing all hopes of a C. B. L. championship. Chaffey's touchdown was the result of a blocked punt by Seapy and Johnston. Frank Casaletti taking the ball over. Meek's kick was good. ● The Bears' touchdowns came as a result of crucial Tiger fumbles, intercepted passes, and a spectacular run by Harris. The final score was Chaffey 7, Riverside 21. The team played a bang-up game but the breaks were against them.

UPLAND FOOTBALL

● Upland and Fontana freshmen football teams tied for the championship. Chaffey tied one of its four league games.

SOPHOMORE FOOTBALL

● Drawing players from Ontario, Fontana, and Upland, the Tiger Cubs were developed into a fine team by Coach "Pop" Kegley. Special attention was given to the fundamentals of football, blocking, tackling and the execution of plays being stressed. ● Most of the players on the sophomore team this year will be able to use their experience next year on the heavyweight squad. The Cubs this season seemed to play continually in hard luck, never receiving the breaks. ● Hubert Harris was one of the most consistent

CHAFFEY VS. SAN BERNARDINO—OCT. 12

● Losing their first game by a score of 7-6, the Tiger Cubs were the ideal hosts. Brown made Chaffey's only score in the second quarter.

CHAFFEY VS. REDLANDS—OCT. 19

● Both teams played sloppy ball; with many fumbles and penalties the Tiger Cubs came home on the short end of a 9-0 score. Redlands made a touchdown and blocked a punt for safety, while the Cubs hardly threatened the Redlands goal.

CHAFFEY VS. POMONA—OCT. 26

● Playing a good game and showing good defense, the Cubs played their best game of the season. Both teams were evenly matched and the final score was 0-0. Played on Graber field.

CHAFFEY VS. RIVERSIDE—NOV. 2

● Playing listless ball, the Tiger Cubs came home on the short end of a 20-0 score. This ended the sophomore season, they having won none and lost four.

The next game was won handily, 21-14, La Verne College being on the short end of the score. The Chaffey basketeers went next to the annual Huntington Beach tourney where they won from Fullerton, 21-11, only to be beaten by Santa Ana, 14-26. Playing four games during the Christmas holidays, the Tigers were well groomed for their first C. B. L. tilt.

JAN. 12—CHAFFEY VS. SAN BERNARDINO

JAN. 26—CHAFFEY VS. POMONA

● Playing their traditional enemies on their own court, the Chaffey Tigers downed Pomona in one of the hardest, fastest games of the year. The winning shot was made in the last few seconds of play, the final score being 16 to 14.

FEB. 2—CHAFFEY VS. RIVERSIDE

● Working together about as smoothly as a concrete mixer, the Tigers dropped their only league game to the cellar champs by the narrow margin of 18-16.

C. B. L. PLAYOFF GAMES

● In accordance with a new league ruling the two highest teams play a two-out-of-three series to decide the championship. Chaffey and Redlands being the two highest teams met in the series. Chaffey went to Redlands for the first game which they won, 34-20. Redlands then came to the Tigers' den where the Tigers won the C. B. L. championship for the sixth successive year.

SOUTHERN CALIFORNIA PLAYOFF

● Because all Southern California schools were eligible for the playoff series this year, the different schools were divided into divisions. The winners of the divisional playoffs went to Whittier College gymnasium where the finals were played. ● Chaffey first met Chino on February 23 at Pomona College. The Chino team was easily overcome by the Tigers, who took an early lead which was never threatened. ● Playing again in the evening of February 23 the Tigers met the Pomona Cards and by a spectacular fourth-quarter rally won the game, 30-25. At the end of the third quarter the score stood 21-16 in favor of Pomona. ● On March 2 the Tigers again invaded the Pomona College gym, this time to defeat Claremont, 25-13. The game was slow throughout as Chaffey's lead was never threaetned. Wallace was high scorer with 8 points. ● The next game was with the Colton Yellowjackets. Chaffey started the game without much snap and were trailing at the half, 13-8. Snapping out of it in the second half, the Tigers made 14 points in the third quarter. The game finally ended with Chaffey on top of a 29-21 score. ● Unable to continue their winning streak the Chaffey Tigers were defeated by the Santa Barbara Golden Wave. The Tigers seemed to lack fire in this game and were unable to repeat the comeback of the Colton game. Although the Tigers had a great many more shots than Santa Barbara they were unable to drop many of them. The final score was 27-16.

SOPHOMORE TRACK

● Winning all of their dual meets, but not being able to crack the ice in the larger meets, the Chaffey sophomore team, under the tutelege of "Pop" Kegley, had a rather mediocre season. ● Lacking only in experience, these men will give strength to the heavyweight team next year. ● Under Coach Kegley the sophomores are taught the fundamentals of the various events, and through dual meets and other competition are able to gather much experience. ● Some of the members who will strengthen the heavyweight team next year are Cummings in the middle distances, Woods in the sprints, Harry Smith and LeRoy Brown in the shot, and Doll in the pole vault. Draper will be a candidate for the high hurdles.

CHAFFEY INVITATIONAL NOVICE MEET

● The Novice meet, although not won by Chaffey, had some outstanding marks. Mecurio of Santa Ana jumped 6 feet 2⅛ inches for a new record, the novice high jump going higher than the open meet. Seven other records were cracked. ● The Novice meet was won by Fullerton with 23½ points, Chaffey taking fourth. ● The Cubs made their points in the 220-yard dash, which was won by Hubert Harris. ● Losing practically his whole championship squad of the preceding year, Coach Fred Clapp faced the task of rebuilding his swimming team. Only two lettermen returned for the team this year, Gaylord Wager and John Kimmerle. Ashby Powell, although he did not make his letter last year, should show up well this year. Others on the team are: Holbrook, Baly, Olive, Haldane, DeBakcsy, Hare, and Southworth. ● In one of the first meets of the season Chaffey was the guest of San Bernardino. The team showed up well for early-season performance. ● In the fifty-yard dash, Wagner took second and Kimmerle third. In the 100-yard swim, Powell first and Baly second. Holbrook and Baly took first and second in the 220-yard race. The backstroke race was won by San Bernardino with Olive taking second and Haldane. In the dives, Wager took second, and was the only Chaffey man to place in this event. In the plunge for distance, Southworth took second and Hare third. The relay team, composed of Kimmerle, Wager, Holbrook, and Powell, took first place. ● At the end of the meet Chaffey had 48 points while San Bernardino had 32.

LEAGUE MATCHES

● Being a little over-confident, the Tiger racqueteers lost a very close match to San Bernardino. ● The next match was against the powerful Riverside Bears. Chaffey netmen again lost the match. ● Being thoroughly angered by this series of defeats, Chaffey defeated the Pomona Devils. This was the first league encounter won by Chaffey. Keeping up the good work the Tigers went to Redlands where they administered a convincing defeat. ● This ended the league matches. Having won two and lost two, the Tiger netmen finished second in the C. B. L. ● Captain Norris Hanna and Joe Poole, both seniors, went through two successive seasons without being defeated in C. B. L. competition. Ray Phillips, first singles, and Hanna and Poole earned the right to go to Redlands University and play in a tournament to decide the best singles and doubles players in the league. GIRLS' ATHLETIC ASSOCIATION

● A large number of girls attained 200 points or more this year to make the G. A. A. a successful year. Several of the leading girls of the club went to the meeting of the Girls' Athletic Federation of Southern California in Inglewood where it was decided that the girl chosen to serve as president of the Chaffey G. A. A. for next year would also have the honor of serving as secretary of the G. A. F. for next year. Hiking was added to the list of sports at Chaffey, which has proved successful. Twenty-five points were awarded for hiking five miles.

PLAY-DAYS

● Chaffey members of the G. A. A. attended two C. B. L. play-days this year. The first one, in the fall, was held at Pomona, and the second, in the spring, was held at Redlands. ● These play-days were organized under a different plan and were very successful. Instead of the schools competing against each other, the girls were divided into color teams, promoting a friendlier atmosphere. ● Athletic games were first played in the gymnasium and then such sports as speedball, volleyball, baseball, basketball, and tennis were enjoyed. ● After swimming, the girls ate lunch and listened to a program arranged by the hostess school.

HOCKEY

● Fifty-two girls attended the practices of the exciting sport, hockey. Marie McAmis led the girls in this sport. The sophomore team defeated the juniors, and, after many ties and much hard fight, the seniors, to win the championship. The sophomore team consisted of H. Shoji (captain), R. Perrin, E. J. Stevens, M. Johns, A. Akamoto, F. Edwards, D. Arms, M. DeWees, E. McGready, T. Topliff, D. Grigg, B. Blair, F. Wymore. Substitutes: B. Richardson, L. Brasfield, M. Cochran, and M. Danskin.

BASKETBALL

● Following volleyball, basketball came with the large number of 168 basketeers. The seniors captured the title, defeating the juniors and sophomores. The senior team consisted of A. Hannah, captain, and L. Luard, jumping centers; T. Riedel and M. Criss, running centers; M. Doll, assistant captain, P. Shattuck, M. McAmis, H. Steelman, forwards; H. Brownless, M. Henderson, E. Davidson and Blanche Baldwin, guards; S. Ford and V. Bleick, subs. L. Luard was head of this sport.

ARCHERY

G. Hughes, L. Kennedy, L. Sadler, M. Moore, E. DeMoore.

ARCHERY

J. Fischer, R. M. Frankish, H. O'Leary, A. Lucas.

VOLLEYBALL

E. Jeffries, E. Shepherd, M. Merha, E. Bower, M. Tangeman, D. Gunn, M. Kramer, V. Lee, M. Kreigh.

ARCHERY

● Many girls went out for archery this year. The girls gained a great deal under the direction of Miss Mabon, for they learned to make their own tackle, arrows, and bowstrings, which they kept in the Olympic cottage. This tackle was exhibited at the Junior Farm Fair and a prize was awarded for the best. At the Play-Day at Redlands, Ruth Frankish and Gwenden Hughes were entered in archery for Chaffey, where they won high honors.

VOLLEYBALL

● Volleyball started out with a bang, directed by Virginia Lee with 158 girls attending the practices. The juniors had the winning team, overcoming the senior, sophomore and freshmen teams. The championship team consisted of M. Tangeman, captain; F. Kustel, assistant captain; V. Lee, M. Kreigh, E. Shepherd, B. Williamson, I. Gunstream, D. Gunn, E. Jeffries, E. Bowers, and G. Peltz. The subs were J. Scott, M. Ramey, H. Hendrickson, H. Clark, and L. Pope. The freshmen, sophomores, and seniors followed in order according to their success.

INDOOR

● Indoor, an ever-popular sport, was headed by Helen Brownless. The attendance was good, for this sport, and it was enjoyed by all.

SWIMMING

● The annual swimming meet was held with entrances of swimmers of the four classes. The meet was very ably directed by Mary Davenport.

Someday I'll draw you a picture right in front of your very eyes! Then will you believe me?! I'm glad you appreciate my "puns."

LETTERS

Dear Mother Goose:

● We're having a wonderful time. At present we are in London and have already seen the London Bridge and the Queen, whom Pussy Cat visited last time she was here. Nevertheless, a year and a day is a long time to be away from home and we wondered if you'd write and tell us all about tne things that happen at Chaffey.

Love,

Owl and Pussy Cat.

Dear Owl and Pussy Cat:

● I am sitting down this very minute to answer your letter. As you know, I am a very busy woman, and I cannot spare the time for very much correspondence, so I'll have some of your other friends write to you about Chaffey. The other day, while sky-riding on my gander, we flew over the school and discovered that all the students have returned for another year of study. In fact, at times the campus is quite noisy and my poor Pussy, I fear, would have to retreat under the buildings; while you, my dear Owl, would never be able to sleep during school hours. Just the same, I am looking forward to a gay year with all the young folk. I close with a heart full of love for all my subjects, but especially for my Owl and Pussy Cat.

Mother Goose.

Dear Owl and Pussy Cat:

● My, my, I used to think I was an unlucky person with my children, but there is someone who can certainly put me to shame. Yesterday afternoon, when I had whipped them all and put them to bed, I dropped in for an afternoon at Chaffey and chatted with Mrs. Mehl. That efficient woman has thirteen hundred children to register and settle in classes, to say nothing of looking after all those youngsters for nine months, and she is doing the job so well that I now know just what to do with all my children. I'll just send them over to Chaffey and let Mrs. Mehl and her teachers do the rest. She has the most unbelievable amount of patience. Why, just think, I saw a little boy come in to get his schedule changed for the seventh time and she showed as much interest as she had the first time. That lady has a job I wouldn't care for, no siree, but then, mine isn't so easy either, just listen to this. Julia just told me that Tommy told her that Martha told him that she saw Bobby slap Jane, and he in his turn reports that Billy stepped on the cat's tail and threw it (the cat) out the window.

With a shoe full of love from,

The Old Lady who lived in one.

Dear Owl and Pussy Cat:

● I have hardly yet recovered from my fright. I must tell you about the strangest thing that happened last week. I was sitting on the auditorium steps, eating my curds and whey, when a big, black, furry thing came and sat down beside me. I didn't know what to do for I saw another one in front of me, and one on each side. In fact there seemed to be dozens of those black, furry creatures in every direction and I was nearly paralyzed with fright when Mother Goose arrived and said they were quite harmless—just the seniors in their new black brushed wool sweaters. Now that I'm used to them I think they're quite handsome, and, besides, I've almost overcome my fear of spiders.

Boldly,

Miss Muffet.

Dear Owl and Pussy Cat:

● I've been busted up again! And it all happened at the Chaffey-Pomona football game. You should have seen the crowds, about everybody in both towns was there, I guess, and the only place that I could find to sit was on that long fence on the east end of the field. It was rather uncomfortable trying to perch there but I got along pretty well if I was careful not to let the barbs poke my shell too hard. Two or three times I nearly fell off but it was not till the fourth quarter that I got really excited. The score stood 0-0 and both teams were getting pretty desperate. Just before the gun popped, Johnny Meek, Chaffey's quarterback, took a long chance and tried for a field goal. I got so scared and "wiggly" that I must have accidentally jumped on a barb, for the next thing I knew I was flying through the air. They say I was pretty badly cracked up, and, as usual, the king's horses and men couldn't put me together again. But I think I'll recover, for Mrs. Fleming, from Chaffey, was called in and she said that my being hard-boiled had probably saved my life and that a little patching would fix me up. ● Dear me! Here she comes now with a pill box, so I guess I'll have to close.

Love,
Humpty-Dumpty.

Dear Owl and Pussy Cat:

● Just listen to this! I've just had pictures taken of all my sheep, so that the next time I lose them I'll be able to identify them much sooner than usual. I got the idea from Chaffey this way. Last week when I was poking around the campus, loking for a couple of sheep, I came across a queer-looking contraption—a sort of box on wheels with a flap that let down on one side and showed rows and rows of little stamp-size photographs of the high school students. I heard someone say that everyone had to have one for Mr. Fischer, or Miss Hedges, or somebody. Anyway, they were selling extra ones to the students who paid for them, but didn't seem to want them, for they promptly gave them all away. I thought it was a very clever idea so the sheep dolled up, put on their best brushed-wool suits, and had their pictures taken, and you ought to see them, running around and trading pictures as though they were human beings. I am enclosing a picture of myself.

Love,
Little Bo Peep.

Dear Owl and Pussy Cat:

● Can you imagine a perfect school day? I can—and that is Fasti day. All the students go to classes, but don't do a thing but sign Fastis, talk, and have a good time. "Do you remember . . . ." and "Don't forget the time that . . . ." are heard on all sides. Why, I forgot all about my afternoon haystack nap and I didn't see my sheep or cows all day long. ● Every once in a while a senior's face sobers for a minute, but that doesn't last long with everyone happy around him. My only regret is that I didn't learn the correct "arm movement" writing method in grammar school, for today I am carrying my arm in a sling, but anyway I got a lot of signatures and now I'm ready for a swell summer vacation.

See you next fall,
Little Boy Blue.

ASSEMBLIES

OPENING ASSEMBLY

● "Through Achievement to Freedom" was the slogan for 1933-34, given to the students by President Gardiner W. Spring in his welcoming address. On the same date, September 14, Principal Ernest Fischer spoke, commending the students on their cooperation with the faculty. Mrs. Mehl favorably reviewed the first few days of school. During the assemblies the following week, officers of the student body, the president of the Girls' League, and presidents of the junior and sophomore classes gave welcoming speeches.

● Girls' League members were entertained with a program in the auditorium on September 28. It was arranged by Mary Davenport, program chairman of the organization. The program follows briefly: Martha Edwards gave an acrobatic dance, Mildred Moore recited, Gwendolyn Wight entertained with a musical comedy toe dance, and Exie Jean Stevens played two numbers on the xylophone. A grand march followed in which the junior girls received freshmen and new girls as "little sisters."

BILL HENRY

● As a feature of the opening of the Chaffey football season, Bill Henry, sports editor of the "Times" and announcer of the 1932 Olympic games, spoke to the assemblies on October 5 on his newspaper experiences. He also discussed football topics and prospects of the coming season. The boys' glee club, under the direction of Mrs. Blakeslee, sang two numbers: "Poor Little Lamb," and "Who Did It?"

● Girls' glee clubs, under the direction of Mrs. Blakeslee, the instructor, entertained the assemblies on October 19 with several selections. The advanced girls' glee club, in the junior-senior assembly, sang two songs, "The Lady of Dreams," by Daniels, and "Philosophy," by Emmell. The elementary glee club sang in the freshman-sophomore assembly the following numbers, "At Twilight," by Friend, and "Gypsy Life."

● "Africans are People" and "Back of Tchad" was the two-fold lecture on Africa delivered by Jim Wilson, traveler and lecturer, at the assemblies on November 1. Mr. Wilson, with a companion, rode across Africa by motorcycle from west to east, a distance of 3800 miles, of which 1200 miles had never been traversed by white man. His lecture was illustrated with slides and movie reels. ● "Around the World in Eighty Minutes," a motion picture starring Douglas Fairbanks, was presented to the high school assemblies November 16 in the junior college auditorium. By means of a magic carpet and other devices of fairyland, Fairbanks and the students were miraculously transported from one country to another in a very few minutes. Most of the picture concerned the countries of the Far East, although many other countries were reviewed quickly. At the end of the stipulated time, Fairbanks landed safely on a building in Hollywood.

● Patriotic assemblies celebrating Armistice Day were held on November 9. Three of the five Podrasnik speakers gave their orations. Mr. Alois Podrasnik, three other Civil War veterans, and representatives of all veteran and patriotic organizations were guests of honor at the assembly. The program included patriotic selections by the orchestra, a drill by Company G, songs by the boys' quartet, a solo by Mrs. Shirley Shaw, Ontario, "In Flanders' Field," and "Taps."

J. Allison, H. Weber, D. Cameron.
CHRISTMAS WELFARE

ASSEMBLIES

● "Merry Mount," a play with a Thanksgiving plot, was presented by the social science classes to the assemblies on November 29. It was directed by Mrs. Brown and Miss Anderson, high school history instructors. The cast included the following: Clarence Wilson, Virginia Putnam, John Keith, Hal Hughes, Nelson Smith, Jess McKay, Phil Findley, Dwight Larick, Eddie Frantz, Margrette Page, William Hawkinson, and Lester TeSelle.

● Brittle wieners, mercury hammers, rubber balls that break, steel that burns, and other interesting marvels that can be accomplished with liquid air were illustrated by Dr. Ernest Charles Watson, from California Institute of Technology, when he addressed the assemblies in the junior college auditorium on December 7. Liquid air and carbon dioxide were used in his demonstrations on various common objects which were thrown to the audience for observation.

● Junior college students presented the Christmas play to the high school assemblies on December 15. It was an adaptation of "The Story of the Nativity," by Susanne C. Ott, and was directed jointly by Mrs. R. T. Kegley and S. Earle Blakeslee. Members of the cast were selected from the college dramatics class, and appropriate music was furnished by the a capella choir.

● Two plays for a dime—that was what the girls received who attended the Girls' League pay assembly on February 6 in the auditorium. Members of the Girls' League cabinet and Rupert Hinton presented the skit and tableau, "His Old Sweethearts." Rupert, as the man about-to-be-married, reviewed his past sweethearts, and, as he did so, each one appeared in tableau. Following this, three members of the dramatics class under the direction of Miss Smith, instructor, gave the play, "Farewell Cruel World," a one-act comedy, by William Kimball. The players were Patricia Shattuck, Genevieve Lewis, and Margrette Page.

● High school boys attended a special assembly on February 6 in the junior college auditorium. Films on the Diesel engine and its modern developments were shown. The films were from the Hemphill Diesel Engineering School.

● "Abraham Lincoln," a full-length talking picture, was given in the junior college auditorium on February 8. The patriotic assembly was in honor of Lincoln's birthday which falls on February 12. The picture, depicting his life, starred Walter Huston. It showed the customs of his day and also gave a glimpse into the lives of Robert E. Lee, general of the Confederate armies; Lincoln's wife; and other famous persons.

● By request, Mr. John Claire Monteith again lectured at Chaffey on February 22. He spoke on "Sun, Silence, and Colors in Death Valley." Colored slides accompanied nis lecture, in which he featured the personalities of the Mojave, the devil's golf course, mineral formations, and animal life in the valley. He also sang songs typical of the desert range.

● Student talent featured the assembly program on March 1, which was directed by Mary Doll, h. s. '34. Musical and dance numbers, readings, and Fasti sales skit entitled "The Clock Tower Tragedy," written by Martha Hulsey, h. s. '34, were incluhed in the program. This was followed by a glee club presentation advertising the "Magic Crystal."

● Dr. Walter Dexter, former president of Whittier College, spoke at the assemblies on March 8, and Miss Marjory Smith, a Chaffey graduate, sang a group of numbers. Dr. Dexter has spoken ta Chaffey several times before and returned by request.

● Final assemblies of the year were as follows: Mrs. Swan, a dramatic reader from the U. C. L. A. Extension Division, gave comic readnigs from "Midsummer Night's Dream" on March 22. On April 5, Mr. Frothingham, world-traveler and lecturer, presented an illustrated lecture on the natural bridges of Arizona. The following week, the Arion quartet from La Verne College, sang, and Oliver Beahrs, from the junior college presented a program of magical tricks. On April 26, Girls' League candidates for office were introduced, and the boys saw a program put on by the track team. On May 3, Milton Kamansky and his committee were in charge of a student talent assembly. On May 10, assemblies were held in the Merton E. Hill auditorium, featuring George Arliss in "Disraeli." Candidates for student body officers were introduced in the assemblies on May 17, and installation of successful candidates took place on May 24. A Memorial Day program was given Tuesday, May 29, and on June 5 a farewell to the seniors was held.

● Social activities started early this year. Friday evening, September 15, the faculty was entertained by the trustees at the home of Dr. and Mrs. A. L. Weber. A delighful program of music was enjoyed and delicious refreshments were served. Mrs. T. W. Nesbit and Mrs. J. C. Jones poured tea. ● Soon after the opening of school, October 5, the Girls' League entertained the new girls with a big and little sister tea. This year the junior girls were in charge for the first time, as the seniors generally give the tea. A Hallowe'en theme was used—cornstalks, black cats, and pumpkins, prevailing. ● The teas for class mothers were greatly enjoyed as the mothers and the faculty had a chance to become better acquainted. On October 25 the freshman class entertained, using the Hallowe'en motif in decorations and refreshments. The junior class members gave a tea for their mothers, February 17, using a Japanese theme with lanterns and pepper boughs for decorations. When the seniors held their tea on March 14, a new plan was introduced—that of inviting the boys as well as the girls to come with their mothers to the tea. The theme used was Saint Patrick's Day. The color scheme was green and white—green shamrocks and white flowers. In May the sophomores gave a May Day tea with garden motif —a color scheme of yellow and blue was used.

● Football was the motive used at the first junior-senior dance held in the high school gynasium on November 17. The football theme was used throughout. Benches were decorated with the various university colors, and overstuffed furniture was used in the sponsors' corner. The programs also bore a football figure. Music was furnished by Elbert Wing's orchestra. General supervision was under the direction of the two class presidents, Joe Coe and Elmer Cross. Sponsors included members of the board, faculty, and parents. ● Following the annual custom the Mexicans of the Chaffey district were entertained at a Christmas party in the auditorium, December 14. A variety program was the feature of the evening, and bags of candy and popcorn were distributed by "Santa" himself. ● The Roman banquet, held toward the last part of April, was a huge success. There were seventy students present, Roman costumes were worn and Roman customs prevailed. ● Mothers were honored by their daughters at a banquet in the cafeteria on April 20. For this occasion the cafeteria was transformed into a delightful terraced garden with flowers, canaries, a fountain, and gold-fish. At one end of the room was a fantasy house which completed the effect of romance. The speakers for the evening were: Jean Allison, Girls' League president, who gave the toast to the mothers; Mrs. M. W. Davnport, who responded with a toast to the daughters; Mrs. Susan B. Mehl, who gave a greeting to those present. Following several musical selections the evening was climaxed with a presentation of "Pierrot's Mother," a fantasy, by members of the dramatic class, directed by Miss Dorothy Smith. ● Colorful spring flowers woven around a Japanese garden theme, made a beautiful setting for the second dance of the year, held in the gymnasium, May 4. The committee heads were as follows: General manager, A. Bovee; budget, R. Brown; furniture, L. Emmons; checkroom, L. Huston; refreshments, D. Hoyt; ceiilng, J. Majors; lights and wiring, J. Gregorio; orchestra pit decorations, J. Meek; programs and publicity, V. Putnam; lanterns, M. Ramey; shrubbery and flower decorations, W. Wallace and A. Smith. Sponsors and special guests were present. ● Press staff and reporters and journalism instructors of both the high school and junior college gathered for an evening of fun at the annual Press banquet held in the Chaffey apartment, May 24. The guests were entertained with a program given by some of the members of their own group. The room was transformed into a veriable press office with jars of paste, ink bottles, typewriters, and newspapres. The climax of the eveing was reached when everyone was given an elaborate certificate of honor for the outstanding thing he had done in journalism during the year.
